

# **PHYSICS INSTRUCTOR**

## **University of Minnesota Duluth**

**Position Description:** Applications are invited for a part-time, temporary instructor to teach two lecture sections per semester of introductory-level courses in physics for the 2007-8 academic year. Pending budgetary approval, the position may include additional duties as a full-time position.

**Duties:** Preparation and delivery of lectures, preparation and grading of assignments and exams, office hours for student contact, and supervision of graders (if assigned).

**Qualifications:** Minimum qualifications are a graduate degree in physics or a related field completed prior to the start date of 27 August 2007 and some teaching experience. Experience as a Teaching Assistant is acceptable.

**Salary:** Competitive.

**Benefits:** The standard University benefits package, including medical and dental coverage, will be available at the faculty rate with a 75%-time appointment.

**Application Timeline:** Review of complete applications will begin June 25, 2007 and will continue until the position is filled.

**To Apply:** The University of Minnesota requires that you apply on-line for this position. For a complete position description and information on how to apply online, visit <http://employment.umn.edu/> and search for Job Requisition number 148458.

The University of Minnesota is an equal opportunity educator and employer.
